## COMMUNITY GROUP

### MARRIED GROUP

Thursdays (except 1st) - 7:00pm

Our group is a place where your marriage can be strengthened, so can your connection with God and others. We meet for worship and a book or Bible study. This is a safe place to meet other people who have common struggles. It's a place to grow spiritually. It's a place to be real, and meet real people.

We place a priority on time spent with your spouse. We have date nights to help foster this priority. We enjoy spending time together and building our marriages, and our friendships alike.

Our group is...

...a place where you can come to find God

...a place where you can come find others

...a place where you can come to find yourself

...missing you
